Designing Smiles | WITH CHRISTIAN COACHMAN

# MODULE 3

Bring your smile designs to life by learning how to solve the restorative compromises that separate good dentistry from truly exceptional dentistry.

Across two intensive hands-on days, you will work through six of the most common esthetic challenges, combining diagnosis, digital design, visual communication, CAD software workflows and practical model exercises.

**RESERVE MY SEAT**

"Any dentist that likes the artistry of smile design and likes to communicate well with their lab could highly benefit from this course."

**Dr Kristen Donohue, course participant**

# Got a question?

Schedule a one-on-one call with a DSD Advisor to answer all questions regarding group discounts and bundle offers, which course is best aligned with your goals, travel logistics, pricing, CE certification and much more.

# ACCREDITED EDUCATION

Digital Smile Design is proud to offer Continuing Education (CE) Credits for our courses through our collaboration with Dental Academy USA, a PACE Approved organization affiliated with the Academy of General Dentistry (AGD) #420360.

The AGD represents a prestigious community, dedicated to the support and advancement of general dentists, by providing valuable resources aimed at enhancing their practices and the quality of patient care.

# DSD COURSES GIVE YOU

- Access to learning platform: Supercharge your training with the DSD Online content library, study professor and community.

- Return on Investment: Implementing DSD systems has a lasting impact on clinics and their teams.

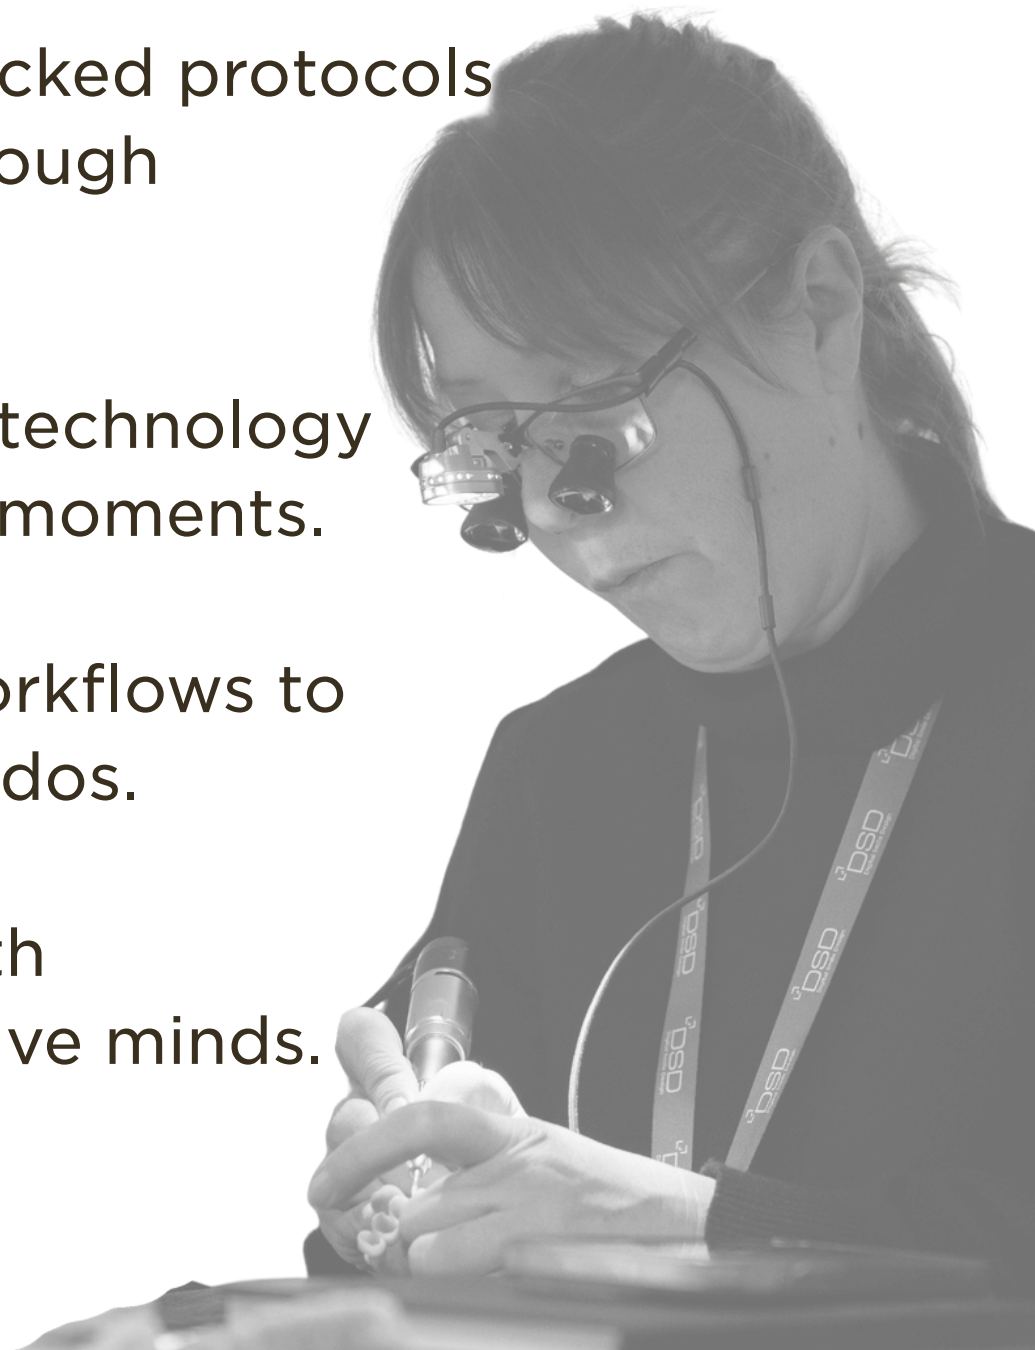

- Clinical Confidence: Master complex cases with digital predictability.

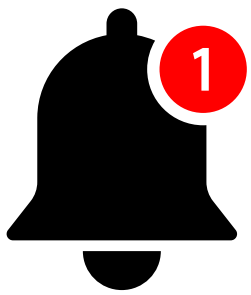

- Proven systems: Data-backed protocols honed over 17+ years through thousands of cases.

- Patient Connection: Use technology to build trust and ‘wow’ moments.

- Efficiency: Streamline workflows to reduce chair time and redos.

- Community: Network with dentistry’s most innovative minds.

# Ready to elevate?

Schedule a one-on-one call with a DSD Advisor to design your professional roadmap for the year.

During this session, we will:

- Discuss your specific practice goals and clinical challenges.
- Analyze which course topics best align with your current vision for comprehensive care.
- Review team-based attendance options to ensure your staff grows alongside you.
- Answer all questions regarding travel logistics, pricing, and CE certification partners.
